

## To Whom it May Concern

This is to confirm that Mr. Adrian W. O'Herlihy is employed in the capacity of Executive Chef at the Amari Rincome Hotel, Chiang Mai from 1<sup>st</sup> October 2002 through the present date.

Adrian was entirely responsible for the food operation of the hotel as well as the many outside catering contracts, which were procured. The operation comprised of the 80 seat 'La Gritta' Italian Restaurant which served daily lunch (international buffet) and dinner (a la carte); the Lobby Bar which served lunch, light snacks and afternoon teas; the Poolside which had a light 'a la carte' and Thai menu. In-house banqueting catered for parties and functions of up to 500 persons consisting of International/Thai buffets and cocktail receptions/coffee breaks; outside catering events were very frequent and the capacity for such events were up to 1000 persons.

Adrian joined us from the Middle East where he was employed as Executive Chef with Saudi Arabian Airlines-Catering. Kitchen and food standards were quickly improved as a result of his experience in bigger and busier operations. His high level of food presentation and selection was very evident on our daily lunch buffets; the hotel received many commendations and compliments from our guests, especially our regular guests. By special request of the Royal Palace, Adrian created special dinner menus for the Thai Royal Family having cooked for HRH Queen Sirikit on occasions. He also created special dinners for HSH Prince Bisadej and several ambassadors on many occasions.

During his time under my tenure, he has proved to be a hard-working, diligent and highly qualified professional who keeps himself constantly updated with modern food trends by being a frequent visitor to international trade fairs and being involved with the professional associations within the region.

Since I am now leaving my position, I would like to take this opportunity to thank Adrian for his great engagement and hard work and wish him the best of luck in his further career. I would not hesitate to recommend him to any prospective employer.

With kind regards,  
Amari Rincome Hotel.
