TO WHOM IT MAY CONCERN

This is to certify that **Adrian O'Herlihy** was employed by the Great Southern Hotel, Galway as an Executive Head Chef from June 1998 to February 1999.

During his time here Adrian ran all of the food outlets and was instrumental in the overall upgrade of food standards throughout the hotel. Adrian was very much in a management role and was always willing to give the extra effort when required, long days and coming to work on days off where never questioned by him.

During his time with us Adrian proved himself to be reliable, honest and hardworking with a wealth of culinary skills and knowledge.

Adrian left the Great Southern Hotel Group of his own accord during a time of management and departmental restructuring, I would have no hesitation in recommending him to any prospective employer and I wish him every success in his future career.

If you would like any further information please do not hesitate to contact me.

Yours sincerely,

Robert Byrne
